# Harborfest 20 Years !!

Dear Community Friends:

It's almost here once again, it's time to get ready for....Harborfest!!! This year's festival will be June 16-19, 2011. It will also be the festival's 20<sup>th</sup> year! In celebration of twenty great years we are hoping to make this year's festival extra special. We will be bringing back some entertainers from past festivals as a reflection of what has made this festival a big part of our community. Every year Harborfest brings thousands of people into our little community. With your help we hope to make this year even better.

Harborfest is a non-profit organization that is coordinated by a small group of dedicated volunteers. The festival is funded with the generous donations of our sponsors from South Haven and the surrounding areas, and by holding several fundraisers throughout the year. The donations provided by our sponsors enable us provide area residents and visitors with free events and entertainment.

Enclosed is a Harborfest sponsorship form which explains the different levels of involvement. However any donation your organization is able to give will be greatly appreciated. All donations are tax-deductable and receipts will be provided.

If you have any questions, please feel free to contact Tammy Vorva, Harborfest Committee President, 269-214-2571.

Sincerely,  
South Haven Harborfest Committee
